1.3.	Intraday trading transactions (regardless of amount and sales channel) διάθεσης)	0.20%, minimum €8
2.	Clearing Fees	0.03%
	Notes:	
	1. The percentage fees collected under 1 and 2 hereinabove are calculated on the basis of the value of each transaction.	
	2. 50% of the fee collected under 1 hereinabove (receiving, sending and executing orders) is rendered to the respective broker (currently NBG Securities S.A.) as the fee for executing said orders	
	3. Expenses in favor of third parties: Transactions regarding the purchase and sale of Financial Instruments on the ATHEX and CSE are charged additionally, besides the fees, with the expenses each time applicable, in favor of HELEX, calculated on the value of the transaction (including, but not limited to: contributions, transfer fees, clearance fees and other) and broken down in the confirmation slip issued (from time to time) by the broker.	
	4. Taxes: Specifically, sell orders are also subject to a pro-rata tax duty in favor of the Greek State calculated on the transaction value and specified in the confirmation slip issued by the broker.	

Transactions on Greek State's T-bills and Bonds carried out for the account of

• Individuals	Free of charge
• Legal Entities	
Maximum fee for a bond trade	
Total Nominal Value of Bond	Max. transaction fees (% of the nominal value)
• Total value up to €50,000	1.00%
• Total value €50,000.01 to €200,000	0.90%
• Total value from €200,000.01 to €1,000,000	0.80%
• Total value over €1,000,000	0.70%
Remarks:	
• The above table lists the maximum costs of executing a trade. Accordingly, the final cost for the customer may be lower but under no circumstances higher.	
• The percentages set out in the table are scaled, i.e. they apply to the total nominal amount of the transaction	

Transactions on Bonds (except Greek State's) carried out for the account of Individuals/Legal Entities

Maximum fee for a bond trade	
Total Nominal Value of Bond	Max. transaction fees (% of the nominal value)
• Total value up to €50,000	1.00%
• Total value €50,000.01 to €200,000	0.90%
• Total value from €200,000.01 to €1,000,000	0.80%
• Total value over €1,000,000	0.70%
Remarks	
• The above table lists the maximum costs of executing a trade. Accordingly, the final cost for the customer may be lower but under no circumstances higher.	
• The amounts concern the respective monetary unit in which each bond is issued.	
The percentages set out in the table are scaled, i.e. they apply to the total nominal amount of the transaction (e.g. for a bond trade of a nominal value of €220,000 the maximum cost amounts to: €220,000 * 0.80% = €1,960, whereas for a bond trade of a nominal value of \$100,000 the maximum cost amounts to: \$100,000 * 0.90% = \$900).
