

NATIONAL BANK
OF GREECE

Important Notice

Please be advised that, pursuant to the capital controls imposed by Act of Legislative Content No 84 dated 18 July 2015, cross-border money transfers are not allowed.

The following, however, are exempted from the said capital controls:

- amounts transferred from abroad as per Article 1, par. 11.F of Act of Legislative Content dated 18 July 2015, Gov. Gazette 84^A;
- amounts up to €500.00 per calendar month as per Gov. Gazette B 2100 of 25 September 2015;
- amounts associated with transactions for which approval has been obtained, following a relevant request by you submitted at any NBG Branch.

In addition, you can transfer amounts to other domestic banks:

A. In EURO:

- Up to €50,000 daily for individuals
- Up to €150,000 per wire transfer for legal entities (without daily limit).

B. In FX:

- Up to the equivalent of €12,500 per each individual wire transfer for individuals, and up to the equivalent of €50,000 on a daily basis.
- Up to the equivalent of €12,500 per each individual wire transfer for legal entities (without daily limit).

These limits do not apply to transfers between your own accounts, transfers to third-party NBG accounts, and payments of bills (public utilities, insurance funds, etc.) and credit cards.

For more information on the transactions you are allowed to perform using NBG credit and debit cards, click [here](#).
